ORDER

Krishnan, J.

While modifying the award passed by the Claims Tribunal, we fixed the disability at 6% as per the documents produced by the Claims and Ext.A5 disability certificate and calculated the compensation of Rs.7,880/-. The prayer is to take 15% as the disability of the petitioner since the medical Board found so later. That cannot be permitted. Documents produced as such has been accepted, and compensation awarded. There is no ground for review.

The Review Petition is accordingly dismissed.
